2009 Charity Pledge Form

Thank you for supporting the 2009 Boulder Marathon, Half Marathon & Marathon Relay!

As a way to reach out to non-profit organizations and help raise money for them, we are encouraging our 2009 participants to raise as much money as they can for a charity of their choice. All participants have until September 1st to raise as much as they can in pledges. On September 1st, participants who raise money will email us at info@bouldermarathon.com and let us know how much they've raised in pledges. We'll then add up all of the pledged money, get a total amount raised for various charities – and we'll announce this total number previous to the 2009 Boulder Marathon event! All participants in this program are encouraged to contact their favorite charity directly and discuss specifics regarding how to get this money to the charity after the event is over. We'd like to thank everyone who is helping out with this exciting program, and let's raise as much money as we can! The purpose of this form is for you to track the amount of money pledged. You can get people to sponsor you by the mile, or by simply finishing your event – either way, it's a great opportunity to help a charity that's important to you. Again, all money raised must be sent directly to the charity of your choice.
